this,

Mr. Stalnaker is your Book

The '66 Hornet's Nest Staff is happy to dedicate this year's issue to Mr. Stalnaker, our friend, teacher, and coach.

Jack A. Stalnaker was born at Weatens, West Virginia. He graduated from Burnsville High in 1948. After a 4 year tour of duty in the Navy, he attended Fairmont State College. In 1956 he earned his B.A. degree in physical education and biology. Since his graduation from Fairmont, he has attended Glenville State College and the University of Virginia. In August of 1965, Coach Stalnaker received his M.A. degree in public school administration and supervision.

Before coming to Wilson in September of

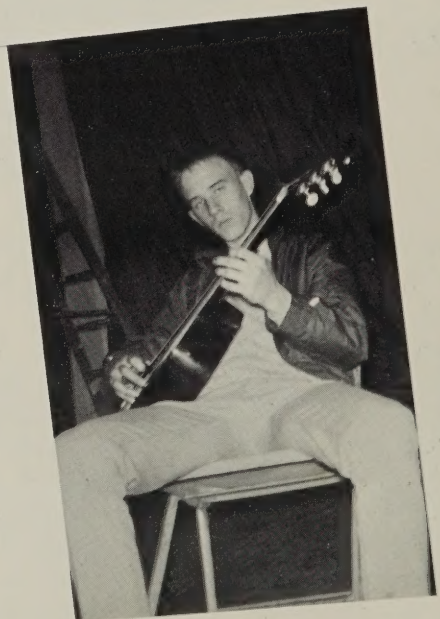

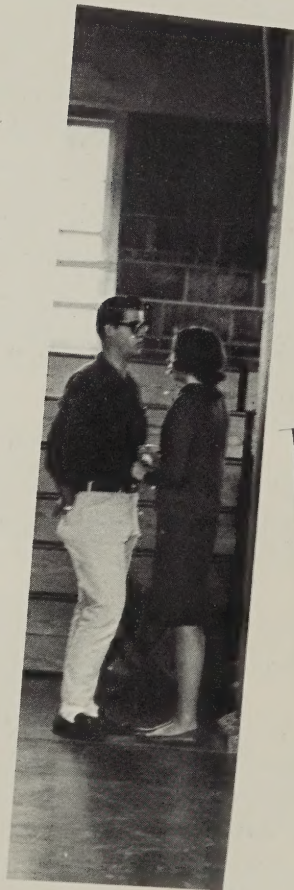

1962, he was head football and basketball coach at Burnsville High School for five years. Next, he became supervisor of physical education at Glenville State College. Since coming to Wilson, Coach Stalnaker has been highly successful as a phys. ed. teacher and head football and track coach. His 1964 football team was District 5 High School League co-champions. In 1965, he led our boys to their first undefeated year of football in the history of the school, and to become District 5 champions. Mr. Stalnaker's friendly interest and efforts in behalf of Wilson students will always be remembered and appreciated.

Happiness is . . .

Officers for 1965-66

Every year in the spring the corridors of Wilson are filled with posters and campaign buttons. Twelve students are nominated by their classmates and six of these are elected to be officers of the Student Cooperative Association.

The main purpose of the S. C. A. is to promote better understanding between the faculty and the students. It also encourages good citizenship and school spirit among the students. Have you ever wondered who is responsible for playing records and organizing the candy store in the Social Center? This Christmas they sponsored a dance with music by the Dynamic Detours. They also sponsored several social events.

National Honor Society

The National Honor Society is one of Wilson's most distinguished clubs and to be a member is truly an honor.

The purpose of the NHS is to honor achievements made by students, especially in the area of scholarship. Emphasis is put on leadership, service, and character, along with scholastic attainment.

The NHS participates in our exchange program with other high schools, a tutoring program, and in the helping of a needy family at Christmas. They also present the "Thought for the Day" and compile the Honor Roll each six weeks.

The requirements for the NHS are few but important. A member has to be in the tenth, eleventh or twelfth grade and maintain a "B" average.

The Future Teachers of America are among the top students here at Wilson. They have realized their desire to enter into the worthy profession of teaching.

Their activities this year included appearing on "Klassroom Kwiz", a television quiz program for teenagers, sending delegates to the F. T. A. Convention, presented the faculty with apples, sponsoring a faculty tea, operating the bookstore, and having the chance to test their potential abilities by teaching one day at local elementary schools.

... Future Teachers of America

Junior Classical League

"Salvete amici!" Yes, the Wilson chapter of the Junior Classical League is composed entirely of friends. Not only are these students friends to one another, they are also friends to the gods and goddesses of ancient Rome.

This year was spent in service to Latin through sending a number of delegates to the Virginia Junior Classical League Convention in Richmond, a party held at Western State Hospital for the patients there, initiation, the annual Roman Banquet in March, and the monthly meetings.

The purpose of the J. C. L. is stated emphatically in its creed. The creed is as follows: "We the members of the Junior Classical League, covenant to hand on the torch of classical civilization in the modern world. The belief and acquaintance with the civilization of Greece and Rome will help us understand and appraise this world of today, which is indebted to ancient civilization in the government laws."

Left to right: Billy Brown — president, Chip Boyd — vice president, Roger Wetzel & Alice Earman — secretary.

Safety Club

The Wilson Memorial Safety Club, sponsored by Mr. Hiner, holds its monthly meetings to insure the safety of the students travelling to and from Wilson by bus. Their meetings always contain discussions of the solving of present and future transportation problems. We are continually indebted to the fine drivers and patrols.

Christmas Dance

On December 21, 1965 the S. C. A. sponsored a Christmas Dance with music by the Dynamic Detours. The dance was held in the Social Center, which was gaily decorated. In one corner stood a small but elegant Christmas tree and a fire place. The dancers started at 8:00 and kept up a steady pace until 11:30 when the band ceased to play. It was certainly an enjoyable event for all who attended. The theme was "Twas the Night Before Christmas."

. . . *Pep Club*

It's "Onward, Wilson!" our Pep Club yells. The purposes of the club are "to give the athletic teams both moral and oral support, to engender school spirit among the students, and to encourage good sportsmanship."

Miss Doriss Dameron and Mrs. Aine Smith — the sponsors — are kept busy seeing that the goalposts are decorated during football season and all the plans are made for the All-Sports Dance sponsored by the Pep Club in the spring for all athletic teams.

Left to right: Jimmy Clark — president, John Mowry — vice president, Judy Shiflet — secretary, Steve Hollinger — treasurer.

Future Homemakers of America

The Future Homemakers of Wilson have been very active this year. They participated in a faculty tea, hat party, apron sale, Sadie Hawkins dance, Daddy Date Night, Mother-Daughter Banquet, and F.H.A. Week.

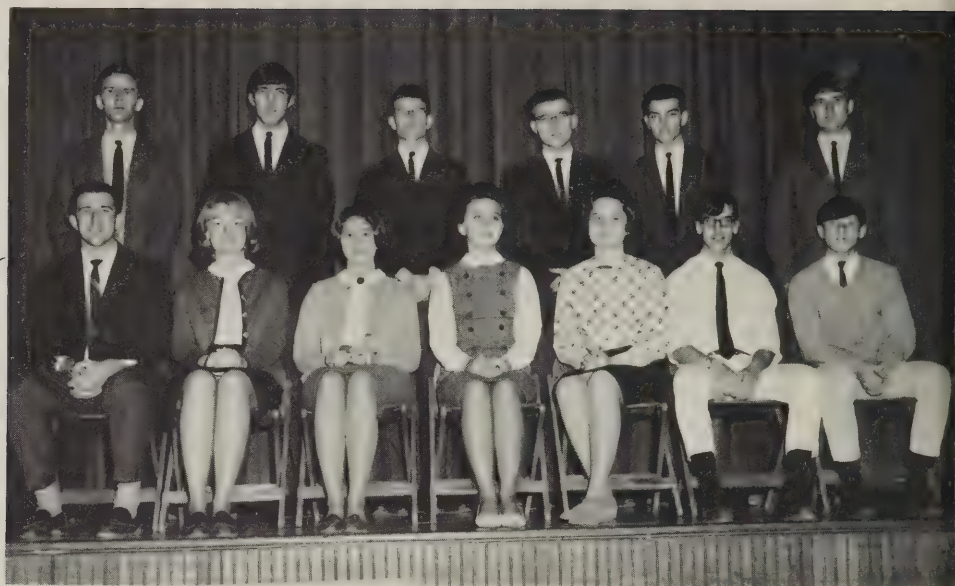

F.H.A. endeavors to promote good home and family life and to further interest in home economics.

Left to right: Beverly Harold — reporter, Linda Fitzgerald — president, Phyllis Hogshead — 1st vice president, Fonda Campbell — 2nd vice president, Gloria Sparks — 3rd vice president, Betty Arbogast — secretary, Donna Layne — treasurer, Shirley Lunsford — song leader, Mary Ann Henderson — pianist, Cheryl Snyder — historian, Beverly Courtney — parliamentarian, Miss Pauline Dutton — sponsor.

Senior Play

The Male Animal, by James Thurber and Elliott Nugent is the comedy which was chosen for the senior play this year. The play tells of the conflicts in the life of Tommy Turner, who is a teacher at Mid-Western University. Between his wife's old boyfriend returning to the city and not being approved of by his colleagues, Tommy becomes a very confused individual. He chances losing his wife and his job. In the end he stands up to both problems and wins his battle.

Spanish Club

On the first Friday of every month, the gym suddenly becomes a small part of Spain. While the Spanish Club is meeting, Spanish is spoken and Spanish customs are observed.

The purpose of the club is to stimulate interest in the Spanish language, customs, and culture.

Miss Doriss Dameron sponsored a pinata Christmas Party and a program was presented by Nellie Hull, who spent the summer of 1965 in Spain. All the club members study Spanish customs from Spain and other Latin American countries in their regular Friday meetings.

Gamma Rays

The Science Club is one of the largest and most active organizations in the school. The club sponsors an annual science fair, a geological field trip through Augusta County, a tour of the Madison College planetarium and visits to the county and district science fairs.

These trips are not only fun, but they carry out the main purpose of the club. They promote scientific reasoning and interest students in Science as a career or simply as a hobby.

The entire Science faculty act as sponsors for the Science Club. Mr. Driver and Mr. Ridgeway are the coordinators.

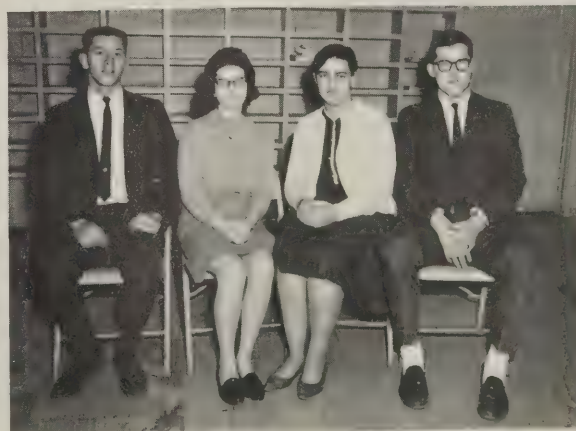

Left to right: Jack Copper — vice president, Candy Snyder — secretary, Ralph Mowry — treasurer, Sharon Chauncey — reporter, Mr. Driver. Absent is Ruffie Lowman — president.

Distributive Education Club

The goal of Distributive Education is to coordinate job training and class activity. D. E. students are employed in some phase of retailing work for a minimum of 15 hours of work a week, as well as attending a related class one hour during the school day. This organization has many activities including a student-employer banquet, meetings with neighboring schools, and social events. They also take part in local, district, and state competition.

Left to right: Gary Brown — president, Donna Pangle — secretary, Shirley Howard — historian, Joe Meek — treasurer.

Drum Major
Terry Harris

Not only is our high-stepping band proud of its music this year, it is also extremely happy to be seen in new, double duty uniforms which were designed, in part, by Mr. Newton, of our art department, and paid for through the donations of its loyal supporters.

Although the majority of the band is composed of relatively new members, its musical qualities are constantly improving, as shown through good tonal quality, true intonation, and good rhythm and phrasing.

The highlights of this year included parades in Staunton and Waynesboro, our two annual concerts, one at Christmas, and one in May, District band festival, held at Waynesboro High School, Virginia Band Day, held at the University of Virginia, and of course, all of our rousing home football games.

Although the band did not participate as a whole in All-District Band, held at Amherst, or Solo and Ensemble Festival, held at Woodstock, it takes great pride in the performance given by the chosen members who did participate.

Each speaker is judged and awarded points on subject, content, voice, appearance, and appropriateness.

Boys' Poetry: David Gilbert, Terry Harris, Clay Fauber, Ralph Thomas. Absent: Ray Campbell.
Girls' Poetry: Nell Hull, Donna Holmes, Peggy Oleska, Pat Gill, Margaret Decker.

Spelling

Is it "larrass" or "larass"? "grammar" or "grammer"? "seize" or "sieve"? "misspelled" or "mispelled"? What is the spelling error in this sentence? "The psychology professor was driving his luxurious limousine toward the gymnasium." If you can spell all of these words correctly, then you should be on the spelling team. The W.M.H.S. spelling team is composed of Jean Harris, Andy Corell, and Donna Sheets. They are sponsored by Mrs. Mildred Black (who can't spell either).

One Act Play

"Can it be that this is he? Heaven! Is it she?"

Can two long separated lovers recognize each other after 50 years? These questions form the central plot of this year's one act play, "A Sunny Morning".

Poetry

Intelligibility. Emotional response. Delivery. These are the essential qualities by which poetry readers are judged. Wilson's "Tintinabulators" with the "Bells, Bells, Bells", are Margaret Decker, Pat Gill, Donna Holmes, Nell Hull, Peggy Oleska, Ray Campbell, Clay Fauber, David Gilbert, Ralph Thomas and Terry Harris. The sponsors are Miss Dameron, Mrs. Spitzer, Miss Steinla and Mr. Hairfield.

One Act Play: Steve Hollinger, Elise Fitzgerald, Gary Walters, Peggy Oleska.

Choral

Wilson's Choral Department includes Choral I, Choral II, Advanced Choir, and the Glee Club. The increase in the number of boys this year proved to be an advantage over previous years.

This department is designed to give all interested students an opportunity to sing classic music and a chance to perform in public. It exposes them to a higher grade of choral music and teaches them to recognize good balance, blend, tone quality and intonation.

Some of the Choral Department's activities this year were the Christmas Concert, a Sacred Concert, Spring Concert, County and District Choral Festivals, and All-Regional Chorus. They also participated in several school assemblies and local community functions.

Future Farmers

The primary aim of the Future Farmers of America is the development of agricultural leadership, cooperation, and citizenship.

It is one of the school's most active clubs. They participate in such federal contests as forestry judging, dairy judging, crop judging, farm mechanics judging, poultry judging, livestock judging, and public speaking.

They also participate in an FFA-FHA picnic, green hand initiation, parent-son banquet, and a cooperative quiz contest.

Agriculture plays a vital role in our lives. Not only are these boys Future Farmers but future suppliers for our many needs.

. . . *Junior-Senior Prom*

On April 9, the senior class of 1965 was honored by the annual Junior-Senior Prom. With hours and hours of work by the junior class the Wilson gym was converted into the garden of a southern plantation to carry out the theme "Gone With the Wind". Flowers and ivy added a touch of spring to the colonial mansion, water fountain, and ivory statue. Overhead parachutes gave the effect of canopies and shaded lights. Couples danced until midnight to the music of the Skyliners of Charlottesville.

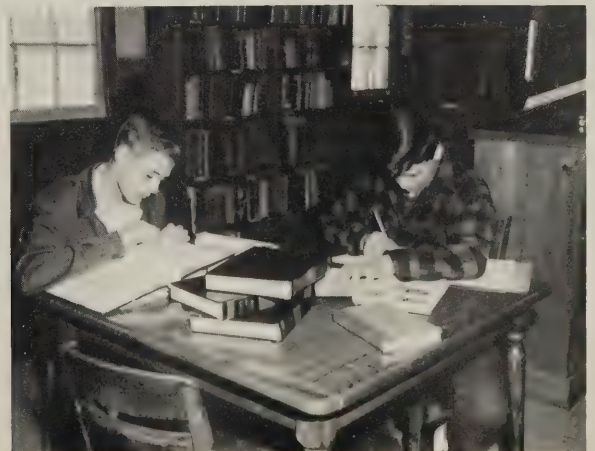

Books, books, and more books are what you see around this particular place. The library staff is headed by Miss Susan Gardner.

The library has housed the visual aids this year and acquired various new sets of reference books.

The library is open from 8:30 A.M. to 4:30 P.M. every day except Tuesday and Thursday, when it stays open till 5:00 P.M. for those who wish to stay for reference work.

... Chess Club

Students who find an intellectual challenge stimulating participate in the Chess Club after school hours. They learn the fundamentals of the game and have a chance to try out professional methods of play. Many of them enjoy perfecting their strategy away from school, on unsuspecting friends.

... Ham Radio Club

This year, for the first time, Wilson students have an opportunity to participate in a Ham Radio Club. They are learning the fundamentals of radio, code and operational procedure, preparatory to obtaining amateur radio operators' licenses.

For the first time in three years the Creative English class endeavored to publish a school newspaper monthly. Profits from the paper were to be used to edit a school literary magazine. After having the first two copies mimeographed, they were able to hire a printer. Due to experience, the quality of the paper constantly improved.

Eighth Grade Class

Left to right: Eddie Blackwell — president; Treva Arehart — vice president; Mary Kay Ross — secretary; Peggy Hull — reporter; R. E. Sheets — treasurer.

The eighth grade class of Wilson Memorial High School has gathered here from the four corners of Augusta County. We have gotten through the first bewildering days of "Wilson Walk", "Mile Long Corridors", and "Lunch Scramble", and are now almost completely at home in Wilson's wide open spaces.

In November, we had our first eighth grade assembly, during which we elected officers and made a lot of noise.

We are, for the most part, having a great deal of fun learning everything about Wilson's pupils, faculty, and such things as "no Z doors when it's raining." Pupils and no Z doors are

understandable, and Time brings wondrous things, even an inkling of when your teacher plans to spring a pop quiz on you.

Some things in an eighth grader's life can neither be understood nor remedied. One of these is being called names. For example, you never know when a teacher or an upper classman is going to inform you that, in his opinion, you are a "little punk", or a "baby Wilsonite". This can become very annoying.

Wilson is an entirely new experience for most of us, but a very pleasant one. We are proud to be new and busily buzzing members of the great Hive of the Green Hornets.

I wonder where my name is?

Freshman Class

Dennis Painter — treasurer; Sandy Keiser — secretary; John Davis — vice president; Beth Miller — president; Darlene Morse — reporter.

Last year, as eighth graders, we were ignored or made fun of by the majority of upper classmen. Admittedly, school was not fun at first. Nothing can describe the helpless feeling of stumbling around in the maze of corridors, looking for a class, or the frustration of standing in line for fifteen minutes for lunch, only to have the bell ring as we sat down to eat. But we gradually learned the necessary things about Wilson and school was no longer a problem, but an exciting experience.

This year, as members of the Freshman class, we really feel that we are an important part of Wilson. Now we are active and participating members of our school. Many of us have joined various clubs, and suffered through the agonies of initiation. Others have turned to sports and represent our school in athletic contests. Wilson has become a word we cherish.

We are proud to be students here, and are looking forward to our years as upper classmen.

Seated: Carolyn Micklem — vice-president, Steve Cason — president, Carter Moffett — secretary. Standing: Jean Campbell — treasurer, Anna Alexander — reporter.

Best of luck to a real swell guy. Be good this summer and have fun if possible. Remember English and your camping trip.
Steve

We, the Sophomore Class of 1965-66, have come a long way in the past three years; from insecure 8th graders, to up and coming freshmen, to stabilized sophomores.

Being a class of many and varied personalities and interests, we participate in the majority of all school activities, both athletic and scholastic.

From some of our outstanding personalities, we elected our class officers. They are as follows: president, Steve Cason; vice president, Carolyn Micklem; secretary, Carter Moffett;

treasurer, Jean Campbell; and reporter Anna Alexander.

The past three years have also made us aware of the fact that high school is not all fun, but includes a lot of hard work and time consuming effort.

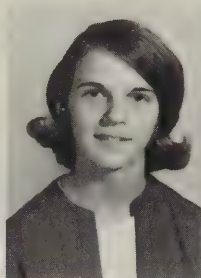

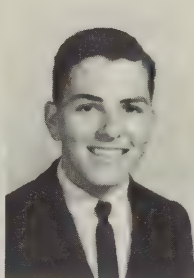

We are looking forward to the years still ahead of us at Wilson. We feel sure that through the guidance and encouragement of our parents, teachers, and friends, the future class of 1968 will be ready to face the challenges of tomorrow.

of Wilson (football, basketball, and track) Keep up the good work and I want to see you get the 1st place medal in pole vault next year! You are a true star! & friend

Junior Class

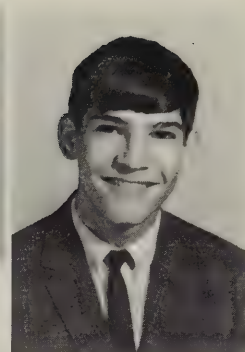

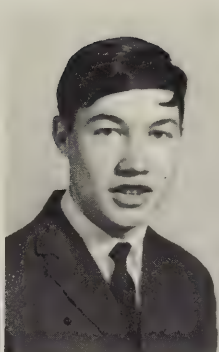

Left to right: President, Joe Wingard; Secretary, Ellen Loving; Treasurer, Alice Earman; and Vice President, Billy Campbell

The Junior class of Wilson this year has participated in many activities. Each endeavor has been filled with new and exciting experiences. In the fall, we began making preparations for the biggest event of the year — the Prom. In order to raise money for the Prom, we sponsored many money-making projects. One of these was "Deer Day." Open hunting season was declared on all the school's male "dears" by the female hunters. The hunters were required to buy a license to participate in the activity. The project proved to be very interesting and profitable.

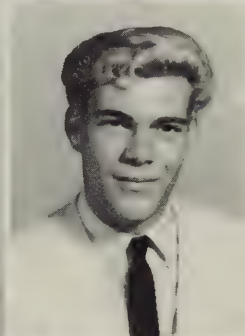

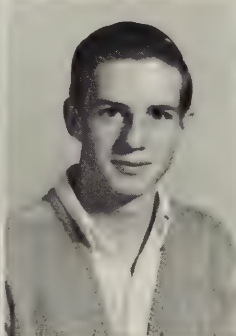

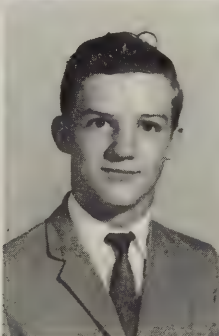

On Saturday night, May 14th, our Prom

was held, in honor of the graduating Seniors. The theme, Venetian Enchantment, depicted a typical moonlit night in the streets of Venice. The dance was truly an evening to be remembered by all.

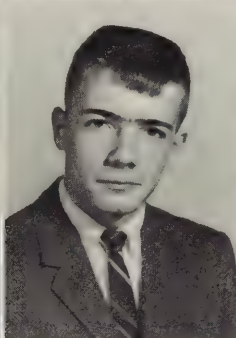

In the spring, many of us struggled through those terrifying College Boards. After receiving our scores, we wondered if college could really be worth the effort. We also ordered our class rings at the end of the year. We can hardly wait until the beginning of our Senior year to receive them. We are all looking forward to next fall, when we will at last become Seniors!

Senior Class

Left to right: Jimmy Clark — treasurer, John Roller — vice president, Nellie Hull — secretary, Ray Campbell — president.

Graduation will soon be here as we, the Senior class, near the end of our climactic year of school. The warm memories we have gathered in these years at Wilson will be with us always.

As eighth graders, our first days at Wilson were frightening and different. No longer did we have one teacher, but six. There were so many new faces to learn. Eventually, we learned to find our way through the maze of corridors, but we nearly starved waiting in the lunch lines.

At the beginning of our second year our school was split into three other area high schools. We lost many old friends but found

new ones among the numerous transfer students who joined us. Some of us played sports, while others turned their talents toward various clubs and activities.

In our Sophomore year we began to think more seriously about our purpose in high school. Some of us read occupational folders and tried to select a future career. We attended school dances and athletic games, and many of us received our driving permits.

Our Junior year was filled with excitement. We struggled through those horrible College Boards and in the spring began planning for the Junior-Senior Prom. We felt a little ridiculous in those long dresses and dinner jackets.

A highlight of our last year was the Senior play. The practices were long and tiring, but what a thrill it was to produce the play ourselves in front of an audience. Many of us applied to colleges and suffered through the agony of waiting for a reply. Somehow, we got through those exams and the tiresome hours of practice for graduation ceremonies and at last received our diplomas.

Now we will be moving in different directions. Some of us will go to work, some will go in service, some will get married and some will continue our education in colleges, technical or business schools. We have shared many happy moments together. Secretly, our hearts will cry when we say good-bye to Wilson.

but we all enjoyed it. We became the first Junior class in Wilson's history to order our rings in May. We could hardly wait until fall to wear them.

The senior year is the apex of all previous years in school. Although in another sense it is merely the stepping stone off which we will venture into a different world, because no matter what we do after graduation, our lives will never be the same again.

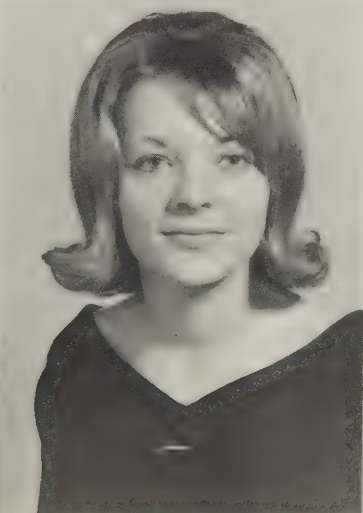

Being a senior is more than being entitled to senior privileges or holding the distinguished title of senior. As seniors, we feel pride in our

school and in our class, the class of 1966. Finally, we are the privileged students, and certainly we are entitled to be. As seniors, we are tied together with a mutual feeling which we cannot express. We have worked, laughed, and supported our school together for the past five years. It is our accomplishments, our mutual bonds, and our pride in our school and our class that give strong meaning to being a senior.

See my watermelon? No! Look at my mouse . . .
Swinging nonchalantly on a rain-like day, Randy
Hensley and Betsy Cassell discuss their pets. Never
a dull moment when around the "Wittiest" sen-
iors. "A little nonsense now and then is relished
by the best of men."

Sometime during the past five years it is certain that every senior stopped to ask himself, "Why not quit school?" Many found the path was too steep and decided to turn back. But for the students who worked their way through tests and exams, there is an award — graduation.

Today a high school diploma is just a stepping stone. Yet without this stone too large a gap is left for a person to continue on the road to success. With a diploma the road is open for each graduate to make his own way.

Ho, Hoo . . . Reflects the reactions of Janet Flint and Ralph Mowry as they "fondly embrace" following their selection of "Biggest Flirts". "The fountains mingle with the river and the rivers with the ocean".

The Green Hornets began the season as "the team to beat" in District V circles, and when the dust had settled on the grid season, the Hornets were the proud owners of their first District Football Championship and the best football record in their history. The team thrilled the fans all season with a new style of offense, termed "The Wilson Tandem Multiple Offense" (whatever that is). Patterned

after the New York Giants, the team swept through the season undefeated, averaging almost 20 points a game. The Hornet defense played like professionals all season, holding 7 teams scoreless. It would be hard to single out any one player as a star on the team. The whole team played like stars. In Coach Stalnaker's own words, "We were just a bunch of country boys who wanted to hit hard and play ball."

Best of luck in the future beyond have fun this summer. work on that pole vaulting so you can get 15 ft.

... Scholarship Winners

Wilson will suffer a great loss when these twelve seniors graduate this year. These fine young athletes have been playing football here for five years, and have helped to make Wilson one of the better football teams in the area.

These boys have been the leaders of our team this year. They could always be counted on to provide the Hornets with able and competent leadership.

Farewell, seniors. Wilson will miss you!

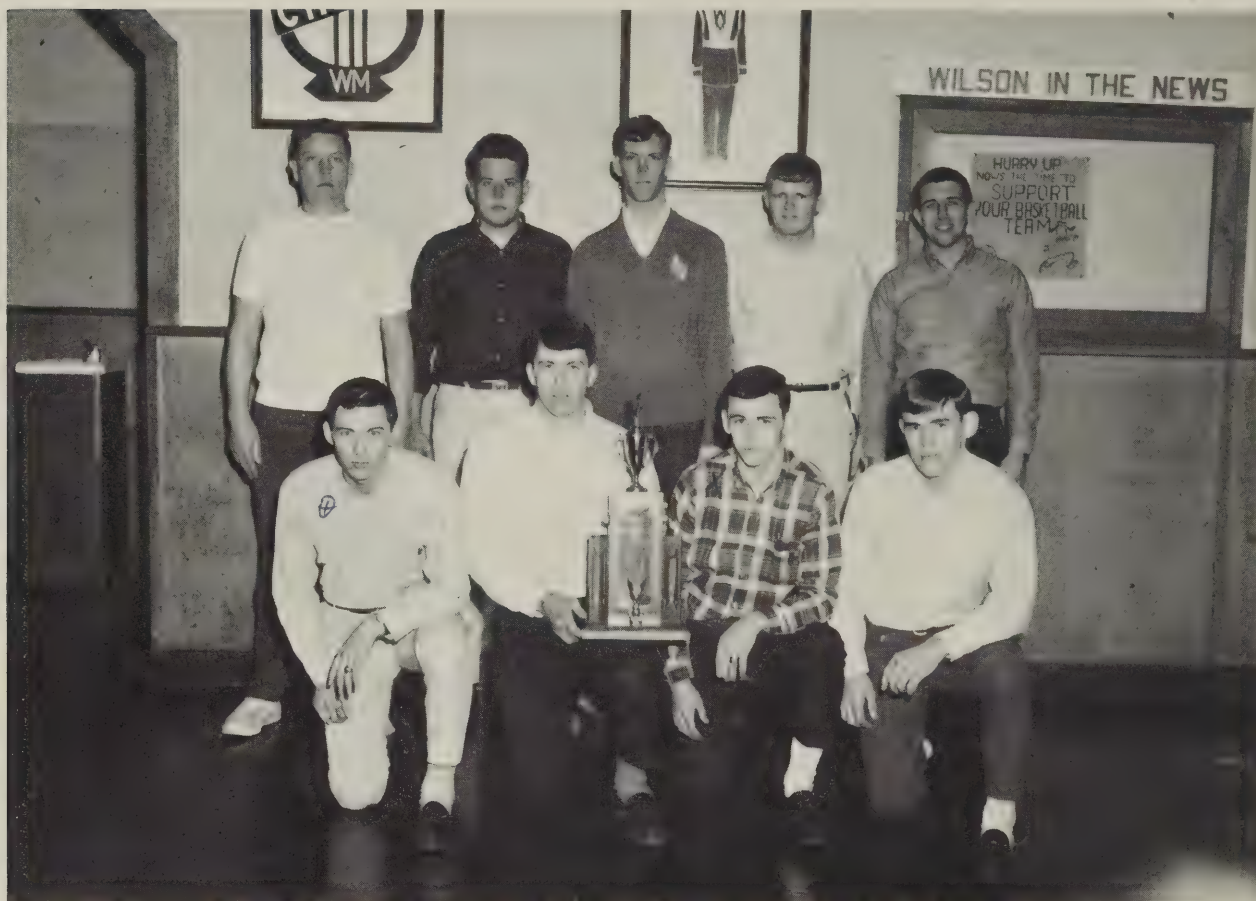

Special acknowledgement should go to John Roller and Earl Mowry. These outstanding athletes have signed full scholarships for next year with V.P.I. and Duke University, respectively.

This is a credit to the fine academic work these boys do, while still finding time to become leaders and stars on the football field.

Congratulations, John and Earl!

Best of luck to a real sweet gal.
Hope you get off the ground next year
in the pole-vault. Jim

. . . State and District Honors

Wilson is indeed proud of these fine athletes who excelled on the gridiron this year. These boys were selected by the district coaches for All-District Honors.

Earl Mowry was named First Team Fullback for the second year in a row. He also was recognized on the state level as Second Team Fullback.

Joe Wingard was selected as an All-District End, and received honorable mention on the state level.

John Roller was chosen as All-District Guard

and received honorable mention on the state team.

Jimmy Davis and Ray Campbell were elected as tackles on the Second District Team.

Jimmy Clark and Banks Swanson were named as Second Team halfbacks.

Larry Baldwin was nominated for Second Team quarterback.

Special recognition should also go to Coach Stalnaker who led the team to a number two rating in the state polls and was named District 5 Coach of the year.

Smile, Boys.

District Runner-ups

Wilson began the season with a rather dismal start. They lost their first two games by only a basket (the Gap game went into two overtimes).

As the campaign progressed, the Hornets began to jell into one of the top teams in the district. Led by leading scorer, Roger Wetzal, and leading rebounder, Joe Wingard, the team won seven district games in a row to finish as runner-ups in the district.

In the tournament the Hornets swept through the preliminary games and advanced to the finals against undefeated Clifton Forge. The team, playing brilliant ball, led Clifton by eight points at half-time, but finally succumbed to the highly rated Mountaineers. Jack Copper and Joe Wingard were named all-tournament for their excellent efforts in the tournament.

Wilson will dearly miss these graduating seniors who have been outstanding leaders on the basketball court for the last five years. Their excellent leadership has been a valuable asset to the rest of the team. Without these boys on our team Wilson could not have been as successful as it was in its basketball games.

These boys have indicated a desire to play college basketball, and should certainly be a success if they continue their fine play. So long, boys. Wilson will miss you!

This year the boys failed to have a winning season, but the boys learned valuable habits which will aid them in becoming future stars. Wilson is proud of these fine players and will be looking to them in the next four years.

Track

During the regular season Wilson appeared to be anything but a powerhouse on the cinders. They lost three meets, won one, and tied one. But, at the District 5 track meet the Hornets emerged as District runners-up. Individual standouts were Alan DeVenney, John Roller, and Joe Wingard. John captured first place in the shot put at the State Meet and second in the discus. Joe finished second in the high jump during state competition.

Athletic Director

The quality of any school's athletic program depends largely upon the quality of its coaching staff. Wilson is, indeed, proud of these fine leaders who taught our physical education classes, and guided our teams to a winning season.

Girls' Physical Education teachers: Mrs. Brooker, Mrs. Smith, Mrs. Taylor.

Girls' Sports

About 65 girls came out for intramural basketball. They were divided into four groups with each having a varsity team composed of upper classmen and a junior varsity team from the 8th and 9th grades.

The teams were captained by Patty Pitzer, Carolyn Rexrode, Nellie Hull, Sharon Crawford.

On the J.V. level Carolyn Rexrode's team was undefeated with the other three having identical records. Sharon Crawford's varsity team won first place with no losses, Patty Pitzer's team came in second, Nellie Hull's third, and Carolyn Rexrode's fourth.

The ten high scorers in order were Conly Clark, Sharon Crawford, Brenda Boliek and Cathy Michael (tied), Darlene Pleasants and Dahle York (tied), Caroll Coyner, Anna Bryant, Delores Williams and Reggie Ryan (tied).

The girls' tennis team spent many long and hard afternoons batting tennis balls at each other. They learned the basic fundamentals of the sport, and then applied their knowledge and ability to play against other girls' tennis teams.

In the summer two of the players, Peggy Keiser and Beverley Wade, entered the Waynesboro J. C. Tournament. Both girls won in their own class, and later represented the area in the State J. C. Tournament in Suffolk, Virginia. Congratulations, girls!

. . . Volleyball

The girls were divided into four teams captained by Reggie Ryan, Carrol Coyner, Patty Pitzer, and Evelyn Pugh.

After three rounds of play Patty's and Reggie's teams were tied for first place and Carrol's and Evelyn's were tied for third place.

Final standings after play-offs were: first — Patty, second — Reggie, third — Evelyn, and fourth — Carrol.

. . . Track

A track and field day for the girls of the Augusta County schools of Buffalo Gap, Fort Defiance, Riverheads, and Wilson Memorial was held at Wilson on Saturday morning, May 8, starting at 9:45.

Trophies were awarded to the top scoring team and to the runner-up. Wilson Memorial took first place with 30 $\frac{2}{3}$ points.

Happiness is . . .

Remember all the
fun we had this year.
I'll be looking forward
to seeing you on the
basketball court + track
field next year —
P. B.

. . . . laughing, working, playing, seeking
losing, organizing, competing, participating.

Happiness is beauty, courage, patronage,
loyalty, trust, love . . . These few words plus
many more go into the making of happiness.
We, the student body, have all experienced
these feelings at one time or another.

Happiness was the first eye-opening view of
the vast corridors of Wilson in the eighth grade.
Then the school became routine, the "same ole
stuff." In the ninth grade we were considered
high school material — not yet full upperclass-
men, but then not "lowly" eighth graders either.
The sophomore year brought more growing
pains and now we were really at that in-between
stage. It finally arrived, the junior year. We
were the seniors' slaves — and we loved it,
because next year that was where we would be.
Now, we are the all-important seniors. We are
looked upon with awe from the eighth graders
and woe from the juniors.

Do these things make happiness for us? Some may be able to answer yes but others must shake their heads sadly.

Happiness is anything you make it! It can be the cherry on the top of a sundae or the new car in the drive, the new girl or boy in school, or the jokes in Playboy.

We hope happiness is yours, now and forever! May you all have much happiness and good fortune in every form. To you, the student body, we give this book of Happiness.

Wayne,

This is a pretty good annual but just think you'll get the great honor of being in "ours" this year. Remember all the fun we've had and all the trouble we've gotten into. Don't forget all the notes we've sent and the games we've sat through. Thanks for taking me to the homecoming dance. It was fun. Hope we'll always be friends. Don't forget me after I'm gone. Be good and stay sweet.

Love ya,
Marty
